

 Husqvarna

INNOVATIVE

inside

*Huskylock*TM

Innovations that create a new overlock experience.

The HUSQVARNA VIKING®
HUSKYLOCK™ machines are
innovative at every turn
from the inside, out.

They provide innovations focused on
ease of use and professional results.

Most importantly, they will
inspire you to fall in love
with the power and capability of a
HUSQVARNA VIKING® overlock
machine. Just imagine all the
possibilities for new creations.

INNOVATIVE

inside and out

Huskylock™

YOUR IDEAL COMPANION

CAPABILITY WITH CREATIVE SPACE

- *The large sewing space gives you more room for big projects.***
- *The extension table increases your sewing surface and facilitates fabric feeding.***
- *Double LED lights illuminate the sewing surface to make sewing effortless and eliminate eye strain.**

CONVENIENCE FOR PROFESSIONAL RESULTS

- *The exclusive SEWING ADVISOR® feature optimizes your sewing.**
- *Threading Guide DVD with animated step-by-step instructions makes threading your machine quick and easy.*
- *Extended Info System gives you more information on the use of each stitch.**

INNOVATIONS FOR A NEW OVERLOCK EXPERIENCE

- *The large Graphic Touch Display shows selected stitch in actual size and other settings.**
- *Stunning utility and decorative overlock stitches inspire endless creativity.*

* HUSKYLOCK™ s25 overlock machine only.

** HUSKYLOCK™ s25 and s21 overlock machines only.

The HUSKYLOCK™ s21 machine has 21 stitches.

The HUSKYLOCK™ s15 machine has 15 stitches.

The HUSKYLOCK™ s25 machine has 25 stitches.

The stunning garments and home dec items shown are anything but ordinary. Just like the HUSKYLOCK™ overlock machines, they are innovative from the inside stitches to the outside hems and will inspire you to create unique projects that showcase the convenience and joy of owning a HUSKYLOCK™ overlock. Whether you are just starting your serging journey or are an experienced enthusiast, the HUSQVARNA VIKING® overlock family has an option for you. ***Your ideal sewing companion awaits.***

~ CAPABILITY ~

*Wide-open spaces
for big-hearted creations*

DUAL LED LIGHTS

– *Make threading and sewing easier.*

The double LED lights on the HUSKYLOCK™ s25 machine illuminate the sewing area and make it easy to see any color fabric or thread at any time of day.

Instructions for the HUSKYLOCK™ blouse, vest and belt are available on www.husqvarnaviking.com

LARGE SEWING SPACE

– *Sew large quilts, home dec projects, and garments easily.*

The large space to the right of the needle on the HUSKYLOCK™ s25 and s21 overlock machines provides plenty of room for projects.

A larger sewing surface makes fabric feeding easier and more precise. The extension table included with the HUSKYLOCK™ s25 and s21 overlock machines offers a generous work surface to support large projects.

~ CONVENIENCE ~

Instructions for the
HUSKYLOCK™ camisole
and shorts are available on
www.husqvarnaviking.com

*Relax
with modern technology*

Comfortable slippers with overlock stitches.

Camisole with beautiful overlock pintucks
and embroidered straps.

Knitting basket with decorative overlock
stitching and pockets for needles.

SEWING ADVISOR®

– *Easy and effortless. No guesswork!*

The Exclusive SEWING ADVISOR® feature on the HUSKYLOCK™ s25 machine instantly sets the best stitch length, differential feed, and thread tension for the chosen stitch and recommends needles and more for perfect results. Simply enter the type of fabric you are sewing and the settings change automatically.

Overlock stitches look so professional you'll be tempted to turn wrong sides right.

EXTENDED INFO SYSTEM

– *Detailed information at the touch of a button.*

The extended Info System on the HUSKYLOCK™ s25 machine has three categories – Use, Hint, and Fabrics. It gives you more information on the use of each stitch, hints on how to achieve professional results and fabric recommendations.

THREADING GUIDE DVD

– *Thread your machine fast and easy.*

Place the instructional HUSKYLOCK™ Threading Guide DVD in your computer. Animated step-by-step instructions will help you thread your machine quickly and easily.

Feel the joy of the perfect finishing touch

GRAPHIC TOUCH DISPLAY

– See the stitch, in actual size, and any adjustments before you sew. The Graphic Touch Display on the HUSKYLOCK™ s25 machine is truly innovative and will make your overlock sewing much easier. It displays current settings and sewing information. Simply touch the screen to select stitches and settings.

BEAUTIFUL STITCHES

– Add a professional finish and decorative details. Trim, stitch, overcast or embellish a wide variety of fabrics in half the time! All three HUSKYLOCK™ machines feature 3 and 4-thread capabilities for seaming and overcasting. Use 2-thread stitches for a lightweight finish. On HUSKYLOCK™ s25 and s21 machine you can sew Chainstitch and Coverstitch (6 mm and 3 mm) for construction and hemming.

The HUSKYLOCK™ s25 machine also features a 5-thread safety stitch, the industrial standard used for ready-to-wear fashion.

2-THREAD OVERLOCK STITCHES

2-thread flatlock wide
For sewing stretchy fabrics together with a decorative effect either with the flatlock side or the ladder stitch side.

2-thread narrow edge
Use for edging lightweight fabrics.

2-thread overlock narrow
For overcasting a single layer of light to medium weight fabrics.

2-thread overlock wide
For overcasting a single layer of light to medium weight fabrics.

2-thread rolled edge
For edging lightweight fabrics. It gives a nice finish on silky scarves, pillow ruffles and napkins.

2-thread wrapped overlock narrow
Gives a beautiful finish to lightweight fabrics.

2-thread wrapped overlock wide
Decorative finish for garments and homedec.

3-THREAD OVERLOCK STITCHES

3-thread flatlock narrow
For sewing stretchy fabrics together with a decorative effect either with the flatlock side or the ladder stitch side.

3-thread flatlock wide
For sewing stretchy fabrics together with a decorative effect either with the flatlock side or the ladder stitch side.

3-thread narrow edge
For edging lightweight fabrics. Gives a nice finish to silky scarves, pillow ruffles and napkins.

3-thread rolled edge
For edging lightweight fabrics. Gives a nice finish to silky scarves, pillow ruffles and napkins.

3-thread stretch overlock
For sewing extra stretchy fabric.

3-thread overlock wide
